Your SACCO. Your future. In your hands.

One app. A clearer view of your finances.

Your essential SACCO services

Mobile loan applications

Apply through your SACCO team and follow approvals. Instant processing is available only for eligible products where enabled.

Savings & balance checks

See recorded savings, contributions, shares and outstanding loan balances.

Dividend calculation

View allocations using the rate supplied by your SACCO. Declaration and payment require SACCO approval.

Payments & transfers

Supported digital integrations must be activated separately. Current receipts can be verified and recorded by staff.

Protected account access

Authorised sign-in and role-based permissions help protect your records whenever you use the app.

Member statements

Request an account statement. A KES 100 fee applies to member-issued statements after payment verification.

FEATURE AVAILABILITY DEPENDS ON YOUR SACCO

Make your membership count

Save towards your goals

Follow contributions and savings as you work towards personal, family and business milestones.

Understand your credit

Review approved amounts, interest rates, terms and repayment schedules before accepting a loan.

Stay on track

Monitor recorded repayments and the balance remaining on your loan.

Follow member returns

Check dividend calculations based on approved rates and eligible balances.

Keep your records close

Use transaction history and printable statements to understand your financial activity.

Borrow responsibly. Eligibility, guarantor requirements and approval times follow your SACCO lending policy.
